# IMPORT TABLES TO YOUR DATABASE

❖ Step1: Click on your Database Name

❖ Step 2: Click on the "Import" tab at the top of the screen.

❖ Step3: Click on the "Choose File" button and select the file you wish to import

❖ Step 4: Scroll down to the very bottom, Click on the "import" button to import the database. This may take a few seconds. Once the import is complete, you should see a message indicating that the database was imported successfully.
